

## How to post on the forums

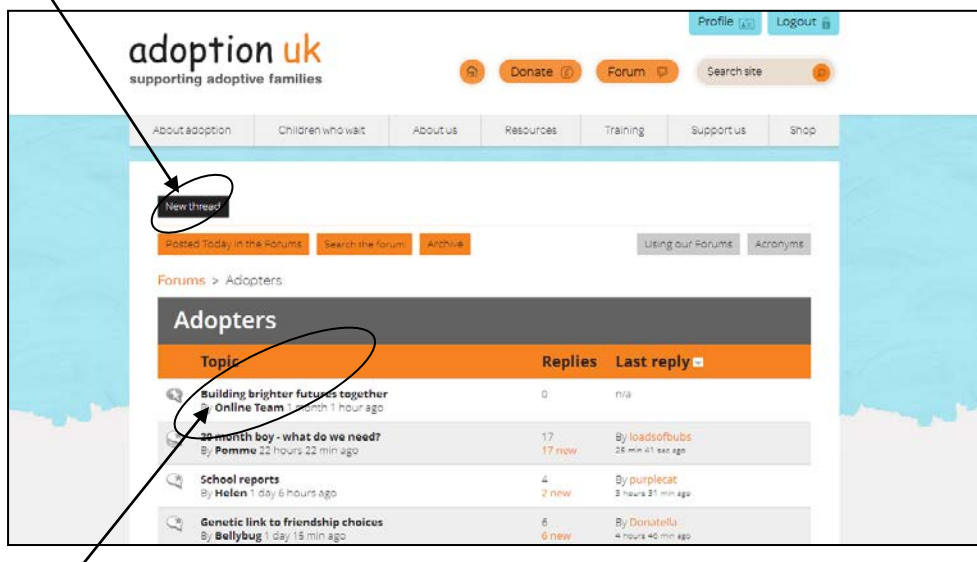

Once you are logged in, click on the orange forum button at the top of the page.

Then, click on the title of the board that you are interested in.

You can now either start a new topic by clicking on the 'New Thread' button...

...or, click on the topic you would like to read and post in and at the bottom of the page there is a box that you can post your comment in like this:

If you would like to know when someone has commented on your thread tick this box and you will receive an email each time someone comments. (Please note that this option cannot be turned off for that particular thread once it has been selected)
